CHUCK GREENBERG

GENERAL PARTNER & CEO

For more than two decades, Frisco RoughRiders General Partner and CEO Chuck Greenberg has built his reputation as an innovative franchise owner and operator, corporate and sports attorney, dealmaker, advisor, and expert on the business and economics of major professional sports.

Chuck's involvement with the RoughRiders began on August 20, 2014 when the ownership group he put together finalized the purchase of the franchise from Mandalay Baseball Properties. In addition to his role with the RoughRiders, he currently holds the title of Chairman and Managing Partner with the Myrtle Beach (SC) Pelicans, the Advanced-A affiliate of the Chicago Cubs, and the State College (PA) Spikes, the Short Season-A affiliate of the St. Louis Cardinals.

In November 2009, Chuck announced the formation of Greenberg Sports Group (GSG), which provides management, consulting and marketing services to the sports industry across the country.

Well-respected across baseball, Chuck has the distinguished honor of serving on the Minor League Baseball Board of Trustees, a position he was elected to in December 2007. The 12-person Board has exclusive power to determine policies and to enact rules and regulations for Minor League Baseball and its member clubs.

Among Chuck's leadership roles in the industry, he has helped to launch Minor League Baseball's "Project Brand" initiative, which was announced at the 2012 Baseball Winter Meetings. "Project Brand" is a transformational new national marketing program designed to attract major national sponsors by creating one cohesive brand encompassing all 160 member clubs. Previously, he served on the inaugural Board of Directors of the Baseball Internet Rights Company (BIRCO), which holds the digital media rights of its member Minor League Baseball clubs, leagues, and partners in a strategic venture with Major League Baseball Advanced Media (MLBAM). Chuck is also a co-Chair of Minor League Baseball's Diversity Committee, where he was tapped for a leadership position by Minor League Baseball President Pat O'Conner in part for his success in attracting substantial minority investment to his ownership groups.

Chuck is the former Managing Partner & CEO of the Texas Rangers, a role he assumed in 2010 after his group of investors (Rangers Baseball Express, LLC), which included Baseball Hall of Famer Nolan Ryan, acquired the Major League Baseball franchise from Tom Hicks and Hicks Sports Group.

His tenure as Rangers' Managing Partner & CEO was highlighted by the club winning the American League Pennant and reaching its first World Series in the history of the franchise. Off the field, Chuck spearheaded the development of an enhanced senior management staff, overhauled the fan experience at Globe Life Park in Arlington, constructed and installed a new state-of-the-art video board, game entertainment control room and technological overhaul of Globe Life Park, and helped re-establish a sense of trust and excitement between the franchise and community. He was also the architect of a lucrative and landmark deal with Fox Sports Southwest that has since changed the landscape of regional television rights deals throughout the sports industry.

CHUCK GREENBERG

Chuck's professional baseball career began in October 2001, when he led an ownership group which purchased the Double-A Eastern League's Altoona Curve. During his time as the Curve's President & Managing Partner (2002-08), the club set numerous single-game and season attendance records, continually re-invested private money into capital improvement projects at Blair County Ballpark, and helped the franchise gain national stature as one of the most creative and innovative teams in professional sports.

The Curve won the prestigious Larry MacPhail Promotional Award in 2004, the 2006 *Baseball America* Bob Freitas Award as the top Double-A franchise and added the highest honor bestowed annually upon a Minor League Baseball club, the John H. Johnson President's Trophy, in 2006. Altoona became only the 11th franchise to receive all three major awards, and was the first team to accomplish the feat in fewer than three years.

The Pittsburgh native had a long and successful career as a corporate and sports attorney, and currently serves as counsel with the globally-based law firm Reed Smith LLP. Prior to joining Reed Smith in 2010, Chuck was a partner in the Pennsylvania-based law firm Pepper Hamilton, LLP, which he joined in 1998. He headed the firm's sports practice and was a member of its Executive Committee. Throughout his career, he has lent his expertise to the acquisition and sale of more than two dozen franchises in baseball, football, basketball, hockey, soccer and lacrosse.

Among his work in the sports industry, Chuck was instrumental in helping put together the deal that landed a group led by National Hockey League Hall of Famer Mario Lemieux and renowned businessman Ron Burkle ownership of the bankrupt Pittsburgh Penguins in 1999, and saved the franchise for Pittsburgh and Western Pennsylvania. In 2007, he represented Lemieux, Burkle and the Penguins in successful negotiations with the Commonwealth of Pennsylvania, the City of Pittsburgh and Allegheny County which resulted in a deal to build a brand-new, state-of-the-art arena in downtown Pittsburgh and secure the future of the Penguins in Pittsburgh for at least another 30 years.

Chuck has been featured in numerous articles and has made frequent television and radio appearances concerning the business and economics of sports, particularly regarding sports franchises and facilities. He has also been a frequent speaker and panelist at the annual National Sports Forum and Baseball Winter Meetings. In 2008, he was named to the Sports Business Research Advisory Board at Penn State University, representing team owners in the work of the Center for Sports Business Research, which focuses on the development of first-rate academic and applied empirical research in the sports industry while helping to define educational opportunities for students looking to start careers in sports business.

He also serves on the board of directors of the Mario Lemieux Foundation and served on the executive committee of the Mario Lemieux Celebrity Golf Invitational, which was held for nearly 20 years.

Chuck graduated from Upper St. Clair High School in Pittsburgh in 1978 and, four years later, received his B.A. from Tufts University in Massachusetts. In 1985, he graduated from the University of Michigan Law School. Chuck makes his home in Westlake, Texas and has three adult sons.

COACHES AND STAFF

MANAGER - CARLOS CARDOZA

Cardoza returns to Double-A Frisco in 2025 for his third season after managing the RoughRiders to an 84-54 record last season, falling in the first round of the playoffs.

The .609 winning percentage during the regular season marked the best year in Frisco franchise history. Cardoza is the first Riders manager to return for a third season since Joe Mikulik managed five-straight years from 2015-2019.

Cardoza's 148-127 (.538) record through two years already puts him fourth in franchise history in wins among 10 total managers.

Following the 2023 season, he managed the Surprise Saguaros of the Arizona Fall League to an AFL Championship and was a bench coach in the Roberto Clemente Professional Baseball League in Puerto Rico with Cangrejeros (Crab Eaters) de Santurce.

The Puerto Rico native piloted the Hickory Crawdads to a 66-65 record in 2022 and has amassed a 376-280 (.573) total over his seven seasons as a skipper. With Down East, he took the Wood Ducks to the Low-A East Championship Series before falling to Charleston.

Prior to his time in Down East, he managed the Arizona League Rangers (2019), winning the AZL Championship, and Dominican Summer League Rangers (2016-2019), twice reaching the championship series.

Hired on by the Rangers in 2015, Cardoza was the head coach at his alma mater, Decatur High School, in Georgia for two years.

As a player, Cardoza spent two seasons at Georgia State University and two years at Armstrong Atlantic State, where he was a gold glove second baseman and All-Peach Belt Conference selection.

SUPPORT STAFF

HITTING COACH - TYLER WOLFE

Wolfe will return to the RoughRiders for his second season in Double-A and his third season in the Rangers system.

In 2023, he served as the hitting coach for the ACL Rangers, helping guide an offense that finished with the second-most total bases in the ACL and tied for the second-most home runs. Prior to joining the Rangers, Wolfe served two years as a hitting coordinator at Cressy Sports Performance in Palm Beach Gardens, Florida.

Before that, he coached for two seasons in the St. Louis farm system with the Gulf Coast League Cardinals and spent four seasons as the head coach for Minnesota Blizzard Baseball, a 15U fall league team in Minneapolis/St. Paul. As a player, he was a 39th-round selection by the Astros in 2016 out of Kansas State University, reaching Double-A Corpus Christi.

BENCH COACH - KAWIKA EMSLEY-PAI

Emsley-Pai returns to the RoughRiders in 2025, where he specializes in working with the Frisco catchers.

In 2024, Riders' catchers allowed just 101 steals, tied for the fewest among all full-season MiLB teams, while throwing out 26 percent of potential base stealers. In 2023, RoughRiders' catchers had the second-fewest wild pitches and passed balls in the Texas League.

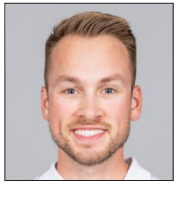
After coaching collegiately from 2019-2021 as the head coach of Centralia College in Washington state, he joined the Rangers organization in 2022 with the Hickory Crawdads. A former catcher, Emsley-Pai played six seasons in the minor leagues for the Diamondbacks (2010) and Pirates (2011-15) systems, making his highest stop at Double-A Altoona in 2014.

BULLPEN COACH - CARSON PHILLIPS

Phillips marks another new face to the staff, joining the Rangers organization for his primary year after serving as a bullpen coach in the Toronto Blue Jays organization for the last two seasons (2023-2024).

He was with High-A Vancouver in 2024 and Triple-A Buffalo in 2023 after being a graduate assistant with the University of Arizona baseball team in 2022.

ATHLETIC TRAINER - MICHAEL THEILE



Theile heads to Frisco for his first season as well, spending his fourth year within the Rangers organization.

The Milwaukee, WI native served as the athletic trainer for the Low-A Down East Wood Ducks in 2024 after being with the ACL affiliate in both 2022 and 2023.

After attending both Marquette University and Georgia State (master's degree), he served as an athletic training fellow at Florida Atlantic University, working with the baseball and cheer teams from June to December 2021.

STRENGTH AND CONDITIONING COACH - BRETT PLATTS

Platts returns to the RoughRiders for his third season in the Rangers organization in 2025 and his second in Frisco.

In his first year, he was the strength and conditioning coach for the Low-A Down East Wood Ducks before spending a season with the Cubs, working in the Dominican Summer League. The Canada native completed his strength and conditioning internship with the University of Iowa athletic department in 2022 and spent four years with the Okotoks Dawgs Baseball Academy from 2019 through 2022. Platts played two seasons at Southeastern Community College in Iowa.

NOTABLE RULES AND REGULATIONS

NAME CHANGE: In 2020, the name "Texas League" was changed to "Double-A Central" by MLB. The change was coupled with the addition of two teams (Wichita Wind Surge, a Twins affiliate, and San Antonio Missions, a Padres affiliate), creating a 10-team league. Before the 2022 season, the name was changed back to the "Texas League".

ROSTER LIMIT: Texas League clubs may carry 28 active players for the entire championship season (regular season) and postseason.

***PLAYOFF ROSTERS:** Any player shall be eligible to participate in postseason play as long as he is assigned to a participating club in accordance with the rules of the Texas League and Minor League Baseball prior to the start of the first game of postseason play.

***PLAYOFF FORMAT:** The two half winners from each division qualify for the playoffs. The winners of the Texas League Division Series meet in the Texas League Championship Series. Both rounds involve best-of-three sets.

Should one team win both half seasons, they will play the team in their division with the next best overall record over the whole season in the Division Series. In this case the winner of both halves will host game one, two and, if necessary, game five.

***TIEBREAKERS:**
In the case of a first-half tie between two teams, the winner of the first head-to-head meeting in the second half will win the first half.

In the case of a second half tie, the tiebreakers are as follows:
1. Head-to-head record in the second half
2. Record in the teams' last 15 games
3. Record in the teams' last 16 games, etc.

CURFEW: The Texas League has no official curfew. Clubs must honor any local curfew or special time limit regulation.

SUSPENDED GAME RULE: The Texas League uses the Major League suspended game rule 4.12, as printed in the Major League Rule Book. The rule states a game is suspended and must be completed at a future date when: a curfew imposed by law, a time limit permissible under league rules, light failure or malfunction of a mechanical field device under the control of the home club, darkness when law prevents lights from being turned on, weather and when a regulation game that is called with the score tied.

*For the 2021 season, postseason was trimmed due to the COVID-19 Pandemic. The two teams with the two best records in the league played one, five-game series to decide a champion.

Dave Wilhelmi (Shreveport Captains)	May 4, 1983 vs. Arkansas
Murray/Karsay/Feldman (Frisco RoughRiders)	July 28, 2005 vs. Corpus Christi

April 19, 2011 — **Martin Perez**

Frisco 1 - Arkansas 0 (6 inn.)
Dickey-Stephens Park

Perez: 5 IP, 0 H, 0 ER, 0 BB, 3 K

Severe thunderstorms and rain in North Little Rock terminated the contest early, giving Perez the shortened perfect game.

The Riders scored the game's only run in the top of the first inning on an RBI single from Tommy Mendonca.

NO-HITTERS

May 18, 2008 — **Matt Harrison**

Frisco 2 - San Antonio 0 (7 inn.)
Dr Pepper Ballpark

Harrison: 7 IP, 0 H, 0 ER, 6 BB, 5 K

In the first game of a doubleheader against the Missions, Harrison walked away with the second no-hitter in Riders history, despite issuing a career-high six walks.

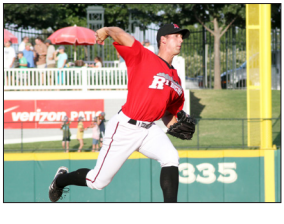
August 19, 2008 — **Neftali Feliz and Trey Hodges**

Frisco 7 - San Antonio 0 (6 inn.)
Wolff Stadium

Feliz: 5 IP, 0 H, 0 ER, 2 BB, 3 K
Hodges: 1/3 IP, 0 H, 0 ER, 0 BB, 1 K

Making just his eighth career Double-A start, 20-year-old Neftali Feliz worked 5 hitless innings before reaching his pitch count limit and yielding to Trey Hodges. Hodges struck out the only man he faced before rain washed out the remainder of the game.

July 29, 2011 — **Joe Wieland**



Frisco 3 - San Antonio 0
Wolff Stadium

Wieland: 9 IP, 0 H, 0 ER, 1 BB, 7 K

Wieland kept the Missions at bay all night, facing the minimum en route to history.

Two days after no-hitting San Antonio, Wieland joined the Missions following a trade that sent him to San Diego for Mike Adams.
